**INTERNATIONAL  
MOBILITY  
PROGRAMME**

**Building the  
education of the  
world to come**

# IB PROGRAMME

For students who are looking for an academic stay following the **International Baccalaureate Programme**. You may consult our full academic programme in the [Corporate Brochure](#)

## COMPETENCE-BASED MIDDLE YEARS PROGRAMME (MYP)

From 11 to 15 years old

- Taught in English and Spanish.
- Based on the IB Middle Years Programme
- The framework of the **seven major competences defined by the UNESCO** for the development of the **curriculum of the future**.
- It avoids closed syllabus and has a huge emphasis on digital technologies.
- High exposure to technology
  - Drones, telepresence robots, virtual reality, augmented reality, Arduino and 3D printing.
  - Weekly programming sessions.
- It includes a specific entrepreneurship programme from Year 6 to Year 10.

## DIPLOMA PROGRAMME (DP)

16 and 17 years old

Our students can choose between: the **High School Diploma (HSD, US Diploma)** and the **double degree of HSD and International Baccalaureate Diploma (IB)**.

Most subjects are taught in Spanish.

A videocall with the IB coordinator will be required in order to create an individualised immersion programme for the student.

# LANGUAGE IMMERSION PROGRAMME

- Spanish language intensive programme.
- Curricular adaptation for language training.
- Extra support in Spanish and specific language reinforcement.
- Tailor-made individual solutions and adaptations.
- Joint activities with students of similar ages.
- Choice of the percentage of Spanish with real subjects.

## SPANISH,

### ONE OF THE MOST IMPORTANT LANGUAGES FOR THE FUTURE

- **The 1st language in expected growth**
- **The 2nd most spoken and studied language in the world**
  - In 2023, more than 23 million people will be studying Spanish as a foreign language. In the US alone, more than eight million people are studying it, four million in Brazil, three million in France and two million in the UK.
  - By 2060, the U.S. will have the second largest Spanish-speaking population in the world, after Mexico. Approximately one in three U.S. citizens (27.5%) will be Hispanic.
- **The 3rd most used language on the Internet and in science**
- **21 countries speak Spanish**
- **Almost 600 million people speak Spanish.**

# WHY SEVILLE

Our School is located in the historic old town of the city, in a seventeenth century palace house, expanded and renovated for academic practice, and

in which five different generations of students have been educated since 1886. In southern Spain, Seville's residents benefit from an exceptional climate, particularly during the academic year, with very benevolent winters and warm springs and autumns. But, above all, it is known for the welcoming, cheerful, hospitable character of its inhabitants.

**SEVILLE IS A HISTORICAL, CULTURAL AND MONUMENTAL HERITAGE ADMIRERED WORLDWIDE.**

**Seville has more than 180 kilometres of cycle lanes that make it easy to get around the city comfortably. A bicycle rental system is available to all residents to encourage transport and exercise in a flat city that sprawls along the Guadalquivir River valley.**

**It is a very safe city for everyone. It has one of the highest safety indexes and lowest danger indexes in Spain and Europe. This allows residents and visitors to walk around safely both day and night.**

## DID YOU KNOW...?

- Seville was founded around the 8th Century B.C.
- There are three World Heritage monuments.
- The following distinguished people were born in Seville: Gustavo Adolfo Bécquer and Antonio Machado (writers), Diego Velázquez and Bartolomé Esteban Murillo (painters).
- It has the biggest gothic cathedral in the world.
- Seville hosts the headquarters of the future Spanish Space Agency.
- Seville has the Cartuja Science and Technology Park with 557 companies and start-ups, training and research centres.

# ACCOMMODATION OPTIONS

## HOST FAMILY ACCOMMODATION

**For students who are travelling alone and wish to have a full cultural immersion, living with families of our Educational Community and age-like students.**

- Exhaustive pairing process which includes an online meeting with the host family.
- Individualised follow-up process to ensure compatibility with the host family and the student's welfare.
- Students will benefit from the comfort and safety of living at home.
- Total immersion in the Spanish culture and traditions.
- Enjoy living with students of similar ages!

## STUDENT RESIDENCE

**For students who are travelling in group with age-like students and are willing to enjoy a great and multicultural experience.**

The School will provide students a mentor buddy to ensure a smooth adaptation

Individualised follow-up process to ensure the student's welfare and proper socialization

24-hour educational supervision by a School's Educational Supervisor

Discover Seville and Spain through a rich package of excursions.

Enjoy getting to know students from other schools in Seville!

# WHAT'S INCLUDED
